

PRESENTATIONS

FY2020 and FY2021 Unified Planning Work Program

The Unified Planning Work Program (UPWP) for regional transportation planning provides a summary of the transportation and related air quality planning efforts to be conducted by NCTCOG as the metropolitan planning organization. Draft recommendations for the Fiscal Year 2020 and Fiscal Year 2021 UPWP will be presented for public review and comment.

Transportation Alternatives Set-Aside Program Call for Projects

Staff will present a recommended summary of projects to receive funding as part of a 2019 Call for Projects.

National Highway System Review

The National Highway System (NHS) is a network of nationally significant roadways that support the movement of people and goods between population centers, international border crossings, major military installations and intermodal facilities. In 2018, the Federal Highway Administration initiated a universal review of the NHS for the first time since its inception in 1996. Draft recommendations for the Dallas-Fort Worth region from this review will be presented.
