

PRESENTATIONS

Work Program Modifications

The UPWP for regional transportation planning provides a summary of the transportation and related air quality planning tasks to be conducted by the metropolitan planning organization. Proposed FY2018 and FY2019 UPWP modifications will be presented.

Public Transportation Agency Program of Projects

Staff will present proposed transit projects funded by the Federal Transit Administration (FTA) through the final award of Fiscal Year (FY) 2018 funds for the following four programs: Urbanized Area Formula (Section 5307), Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310), State of Good Repair (Section 5337), and Bus and Bus Facilities (Section 5339). This opportunity for comment meets the federal requirement for public participation in programs of projects.

The following agencies' programs of projects will be presented:

City of Arlington, City of Grand Prairie, City of McKinney, City of Mesquite, City/County Transportation, Community Transit Services (CTS), Dallas Area Rapid Transit (DART), Denton County Transportation Authority (DCTA), NCTCOG, Trinity Metro, Northeast Transportation Service (NETS), Public Transit Services (PTS), Span, Inc. and STAR Transit.

Implementation of Regional Veloweb Trail Corridors

Several sections of Regional Veloweb trails have been identified to complete gaps in the trail network and provide critical connections to rail stations. Staff will provide an overview of funding recommendations to implement several sections of these regional trail corridors.

Public Participation Plan Update

The Public Participation Plan outlines the principles, goals and strategies for involving North Texans in the transportation and air quality planning process, including procedures for public comment periods. Staff will present proposed revisions to the Public Participation Plan that reflect new legislative requirements and the increasing role of video in public input opportunities.

Automated Vehicles 2.0

Staff will present information related to automated vehicle deployment within the region and the North Central Texas Council of Governments automated vehicle program.
